Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

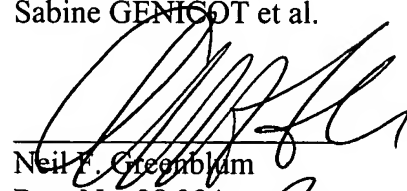

Sir :

Applicants note that the present application is being filed with paper forms of nucleotide sequence listings. The paper copy of the Sequence Listing in this application is identical to the computer readable copy of the Sequence Listing filed on June 15, 2001 in application 09/567,003, filed May 9, 2000. In accordance with 37 C.F.R. 1.821(e), please use the computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the instant application.
